- 24 Optimum Business Connection Backup is for backup connection only when the primary internet service is down.
- 25 Advertised max speed for wired connection. Actual speeds, including over WiFi, may vary and are not guaranteed.
- 26 For full details, visit optimum.com/business/pricing-packages
- NJ Residents: In accordance with state regulation, you may request in writing that a third party be designated to receive any disconnection notice issued on your Optimum account. Contact Customer Support for more information.

Rates shown do not include taxes, franchise fees and other charges paid to federal, state and local governments. A subscription to Broadcast Basic is needed for all TV services, unless otherwise noted. A cable box is needed to receive TV service, unless otherwise noted. Except in the Bronx and Brooklyn, a QAM tuner may access certain channels in Broadcast Basic. With your subscription to Optimum TV, you can view all of the HD programming available in your package at no additional monthly charge with an HD cable box and HDTV. The listed programs, packages, services, content, format, rates and other aspects of Optimum's service are its current offerings and are subject to change or discontinuance at any time in accordance with applicable law. Products and services offered where available. Optimum reserves the right to institute different rates and/or terms and conditions of service for promotional purposes.
