Get **FREE** high-speed Internet and Basic TV service.

The New York City Office of Technology and Innovation (OTI) and Optimum are proud to announce a partnership to bring you New York City's Big Apple Connect program, to provide high-speed Internet and TV to residents of participating NYCHA properties at no charge.

By joining the program, Big Apple Connect will provide your home with 300 Mbps Internet, Basic TV service, including equipment and installation.

Whether you're a current Optimum customer, switching providers, or getting Internet in your home for the first time, signing up is easy, and there are no forms to complete or income requirements to be met.

1. Call an Optimum representative to enroll:
Number to call: 866.580.1410
When to call: Monday through Saturday from 10:00 am – 7:00 pm
2. Provide your address in a participating NYCHA property
3. Schedule installation

Do you already have Internet and/or cable services with a different provider? It's up to you, the subscriber, to cancel those services after your Big Apple Connect services are installed in your home.
